CHAPEL

The original chapel, built in 1924, has a seating capacity of 280 people. Cedar trees planted in a cross formation around the church a 100 years ago mark its corners. The side panels of the church are open allowing for a charming open-air structure.

Recently restored, the chapel features a pristine white backdrop complemented by stunning natural Oregon pine pews and elegant crystal chandeliers lining the aisle.

FARM

TRAINS

The skeletons of wooden goods and post railway carriages that remained on the farm have been renovated into lavish rooms. Restored from train carriages dating back to the 1950s and giving Smitsfield a truly unique accommodation experience steeped in heritage. Two station buildings, Royal Oak and Victoria Station, were designed to echo the look and feel of a railway platform, with shared restroom facilities tucked away at the end of each station.

2 family rooms | 13 double rooms | 4 single rooms

BLOCK HOUSE

Perched on stilts above the open veld, our Blockhouses offer a private retreat with uninterrupted views of the surrounding grassland. Inside, a wood-burning stove and warm, textured furnishings create a cosy contrast to the raw simplicity of the landscape outside, while a private deck invites you to step out and take it all in.

THE STABLES

Newly built but designed with old-world charm in mind, The Stables feature brick archways and rustic wooden beams that echo the character of a bygone farmstead. Textured limewash walls, live-timber accents, and soft neutral tones create a serene, contemporary retreat, while French doors open onto sweeping farmland views.

MAISON D'AMOUR

Our signature honeymoon villa combines romance with space to gather. With dramatic arched windows framing the surrounding farmland the private villa offers a honeymoon suite, a dining area, lounge and salon area complete with mirrored details - creating an elegant space to relax and get ready together. Three additional double rooms lead off from the villa, making Maison D'Amour ideal for a bridal party or family wanting to stay close,

FRIDAY

The tables will be arranged based on your specifications and layout plan. If you intend to bring your own tablecloths, runners, or under plates, please ensure they arrive at the venue on Friday for the staff to complete the setup. The couple and wedding party are welcome to set up flowers and decorations throughout Friday and Saturday morning.

Tea and coffee will be available at the venue all day. You are responsible for providing your own lunch and snacks while preparing the wedding venue. Feel free to ask a manager if you'd like to use the kitchen for food preparation.

Please consult Helène if you wish to rearrange any of the venue furniture. Also, refrain from moving any furniture or décor to the outdoor church options.

SUNDAY/MONDAY POST-WEDDING

The couple should ensure all personal decorations and belongings are removed from the venue. Venue staff will take care of cleaning duties.

Breakage deposit refunds will be issued one week after the wedding. If any items are left behind and require couriering, the courier fees will be deducted from the breakage deposit. Any unclaimed items will be couriered only within one week following the wedding. Items not claimed within this timeframe will be discarded.

DÉCOR ARRANGEMENTS

CHURCH VENUES
